Hadassah Orphanage

India

Beit HaTorah has partnered with the ministry of Ravi Babu Karra in India since 2005. Beit HaTorah is currently providing for 36 orphans and three widows, meeting not only their physical needs of food, clothing and shelter, but their spiritual needs also through teaching Torah and salvation through Yeshua HaMashiach. Our children attend school, study hard, and achieve excellent grades.

2018 has been a very busy year for us as the old orphanage building was demolished due to disrepair and a new two-story building is currently being completed on the same site. This new building will provide the much-needed space to care for additional orphans and the second floor will allow us to put in bunk beds. The children currently sleep on mats on the floor; which are rolled up and put away during the day so that the main room can be used for other purposes i.e. eating, teaching, studying and praying.

The Indian government closed several orphanages in our area this past year and as a result of that action we have taken in an additional 17 children from another closed orphanage. These new children are very young.

The law requires us to separate the boys and girls once they reach 15 years of age. We have an agreement with the government to keep the girls with us until they reach 18 years of age. The boys upon reaching the tenth grade (or 15 years of age and above) are relocated to a government sponsored facility where their education continues. After which they are eligible to sit for testing and placement in university.

We are very proud of the achievements of our children. Some are nurses, pharmacists, and computer specialists. Some chose to attend vocational schools and are plumbers, and carpenters.

We rely on the support of generous individuals and businesses that have a heart to care for widows and orphans. We would be most grateful if you would consider providing a donation to our ministry. Your support is critical to their lives and we will happily keep you apprised regarding the children and construction.

To sponsor a child fully for each month currently requires \$80 monthly.

This amount includes:

\$20 Education: Books, school fees, uniforms, government fees, etc....

\$45 Meals three times a day: includes fuel to run the generator, firewood, and the cook's salary.

\$10 Maintenance: Repairs, electric equipment, etc.....

\$5 Health Care: Medicines, hospital bills, toiletries, and immunizations, etc....

You can choose any sponsorship level amount from the category breakdown above. You can choose to donate as a one-time gift or make a monthly commitment.

Above and beyond their everyday needs, there is a smaller building on the property where the girls and widows sleep. Each year this building requires a new thatch roof. In the near future we would like to rebuild this building too; instead of each year spending money on a roof that cannot last past one year.

We are currently raising funds for the children's bunk beds and mattresses, a small trunk (foot locker) for each child to hold their personal possessions, and storage racks.

36 mattress @ \$80.00 = \$2,880.00

18 sets of bunk beds @ \$400.00 = \$7,200.00

36 metal foot lockers @ \$200.00 = \$7,200.00

9 storage racks @ \$200.00 = \$1,800.00

We thank you in advance for your faithful support of the widows and orphans in Hadassah Orphanage. You are investing in their lives and all of us are so grateful!

All donations are tax deductible (according to the current tax laws.)

Africa

Beit HaTorah has been working in Africa since 2005.

In Nigeria the Muslim population has increased to 70% of the population. The Islamic Fulani Herdsmen are slaughtering believers and the security forces have not responded. It is becoming increasingly difficult for believers to travel especially the IPOB (Indigenous People of Biafra) it is believed these people are descendants of the Tribe of Gad. They are being heavily persecuted.

Brother Avraham reports: "The constant hunt for the members of the IPOB by the Nigerian Security Agencies and brutal killings of Christians by Fulani Herdsman while the government of the day looked the other way, has in no small way hampered the brethren economically and otherwise. We now live in fear every day. Please keep praying for us and the Nigerian Christians in general. Nigeria is on the verge of total Islamization."

BHT headquarters in Nigeria is slowly being developed on the land the late King of Etche deeded to us. Their desire is to open an outreach center for the poor and needy.

In Ghana life is still difficult for many. Finding steady employment is almost impossible. Our main leader, Brother Sam must travel away from home each week for employment. Beit HaTorah is still looking for an affordable place to rent. In the meantime, the outside hallway of his home has been serving as a central meeting point for services. Please pray for him and his wife.

BHT is maintaining their partnership with the ministry of Jean Pierre Nkunda in Rwanda. We provide orphan care in Rwanda and Uganda.

Creation Gospel books in French are currently being printed and will be available to our brethren in Rwanda in a very short period of time. Thank you to Dr. Alewine for your generous help in making this a reality for them!

There are still so many displaced people in Rwanda from the fighting that occurred by the rebels in Democratic Republic of Congo. These families would like to return home now that the rebels have been apprehended and the danger is past.

We live among a lost and dying world who needs Yeshua, HaMaschiach more than ever!! Please consider partnering with our ministry to provide for the widow and orphan, provide educational materials i.e. Creation Gospel books, food and clothing for the poor.

BHT has been privileged to work in Africa. We are seeing young people set free, and hope returned to those in despair. Please consider praying for our ministry daily and share with others about our work in India and Africa.

For every dollar we receive, 100% of that total amount is given to the local ministry in India and Africa. May HaShem bless all of your endeavors.
